### TO GRIDIRON INDIANA.

A Whitney-Lamont-Johnson-Hanna Syndicate to Build Electric Roads. Laporte, Ind., March 16.-The statemen

is made here that a syndicate, composed of New York and Cleveland capitalists, is behind a project to bulld a system of interurban electric lines in Northern Indiana, connecting various cities and towns. The design, it is said, is to start from Lake County, where the syndicate already owns properly, and establish a network of such connections, extending around to touch South Bend, Valparaiso, Michigan City, Laporte, Elkhart and half a dozen or more other places, and to ultimately relegate the railroad systems of this country to the position of carriers of freight, while improved electric lines furnish the passenger service.

Service.

The syndicate is supposed to be headed by Daniel Lamont and ex-Secretary Whitney, and is making a hig success in its New Jersey experiment. Its active agents are ex-Congressman Johnson and Mark W. Hanna.

Montelair Paster Resigns. Montclair, N. J., March 16.—The Rev. William N. Hubbell, pastor of the First Baptist Church, has resigned his pastorate. Mr. Hubbell was the pastor for fourteen years, during which time the membership grew to 250 and a new church was built.
